"Casa Galore" is a beautifully presented property, with its wonderful views over the beach and the Mediterranean Sea. It has been furnished with quality and comfort in mind. From the top level kitchen to the comfortable master suite, you'll notice the attention to details in every room. Tasteful artwork adorns the smooth walls and the colour scheme is a match to the blue of the sea, in what can only be described as a luxurious beach house. The property is laid out over three levels. From the front door, you'll see the dining area with seating for two and then down stairs to the master-suite and bathroom. Upstairs takes you to the open-plan kitchen and comfortable lounge from which you have your first view of the terrace with its comfortable seating, outdoor dining table for four and the wonderful view. From the terrace you can see the liners that cruise the Mediterranean and the smaller sail boats. In the master suite you have a very comfortable king-size bed, a sofa and a large smart television, with plenty of wardrobe space and views over the beach. Next to this is the modern bathroom, with bath and separate shower cubicle. The sofa is actually a sofa bed and could be made up for a teenager or adult. From the front door of the property, you can walk down a little walkway in the urbanisation to the wide sandy beach, which is about 70 meters away. From the beach you have views of the Rock of Gibraltar and on clear days you can see the coast of Morocco. About 400 meters along the beach you'll find a beach bar (chiringuito) serving drinks and food. You can also hire loungers and umbrellas here. Further on you'll find a small naturist beach. Within the urbanisation, there is a large community pool available. At night, with its clever use of lighting, this house takes on a very different feeling. LED's which can change colour to your own taste or mood are carefully concealed to maximise their effect. Community parking is available on a first come first serve basis. Over all, this is an extremely tasteful property ideal for those who are looking for top-quality accommodation next to the beach in Estepona, here on the Costa del Sol. This beautiful home is located between Estepona and Casares directly on the sandy beach in Bahia Dorada. It is close to Estepona Golf and about 5km west of Estepona town. Conveniently located on the N340 coastal road which runs along the Mediterranean coast of Spain. You have several supermarkets within a few minutes' drive (Mercadona/Aldi). Wednesdays and Saturdays or the Sunday market in Sabinillas. Several Chiringuitos (beach bars) are located nearby and serve drinks and food all day during the summer. For sightseeing, the property is in easy reach of Gibraltar, which is about 35 minutes' drive. Seville, Granada and Málaga are also large towns with historical centres, and worth visiting. The main town of Estepona is about 10 minutes from the house and offers a very traditional feel with its flower lined streets and traditional tapas bars, cafes and ice cream parlours. Head to Plaza de las Flores, which is right in the centre. The orchid house is about a five minute walk from the centre.
