It is superbly located just a few minutes' drive to the east of Marbella Centre, and is widely regarded as the most exclusive residential development in the area.

The complex benefits from excellent 24 hour security guards, camera surveillance & is fully gated, making it very safe & secure. The urbanisation has beautiful tropical gardens & swimming pools.

The apartment itself consists of:

- 3 spacious bedrooms, all ensuite, plus additional guest toilet. The master bathroom has a large corner bath & separate large shower cubicle.
- high quality kitchen with separate utility room (with washing machine & dryer)
- very spacious living / dining room with feature fireplace
- underfloor heating throughout the apartment
- all furniture through the apartment is high quality as the property was originally furnished as a home, not as a rental property

This is an urbanisation for those who desire luxury living and a little of the quieter life, but still wish to have everything at their fingertips.
