The villa consists of a main house and a smaller independent cottage or bungalow that lives as a completely separate entity from the main house, located on the third level of the lower garden.

The villa has a beautiful interior with large and very naturally bright rooms, decorated with a mix of light Arabic styles and Asian details.

In the main house you will find 5 bedrooms, each with its own bathroom en suite. In addition, there is an additional fully equipped bathroom (with shower and bathtub) for common use of the house and / or any guest. The two main bedrooms have their own terrace overlooking the sea, each equipped with its sun loungers.

On the other hand, the independent bungalow has 2 bedrooms, each with its own bathroom en suite, as well as its own living room and fully equipped open kitchen, allowing complete independence from the main house, if required.

The outdoor area is made up of gardens and porches, with some entertainment materials such as a barbecue, a ping pong table, sun loungers, etc.

The bungalow has its own porch / terrace, as a completely separate entity on the third level of the garden, where you will find more independence.
