Costa del Sol, Estepona

Business Format:

A fully operational and established business including production facilities, a developed retail network, optimized logistics, a broad client base, and staffed operations—all under the recognizable Multi Cook (Galya Baluvana) brand.

Key Advantages of Acquisition:

Instant Launch without Bureaucracy: All required licenses, modern equipment, active marketing channels, and qualified staff are in place—eliminating the need for complex startup efforts.

Established Customer Base & Steady Footfall: A large, loyal clientele combined with strong online and offline sales channels ensures consistent revenue from day one.

Strong Growth Potential: Includes locations earmarked for future development (e.g., Benalmádena, Torremolinos) and licenses covering multiple key regions.

Operational Independence: Well-structured processes in production, sales, logistics, and management allow the new owner to focus on strategic growth, not daily operations.

Wide Regional Coverage: Active and expanding presence across Spain's main tourist and commercial zones. Estepona, Mijas, Marbella, Malaga
