An amazing opportunity to acquire a property in East Marbella's most iconic complex. This luxury modern apartment is an elevated ground floor property offering the benefit of a large terrace and closed garden while also maintaining privacy with a very large outdoors space allowing one to really enjoy the kind of outdoor living that Andalusia allows. The apartment itself has a modern open plan kitchen, floor to ceiling windows that can open up into the walls allowing the terrace and living area to be as one. Located by Cabopino Golf in Marbella and walking distance to the club house this is one of Marbella's top locations. The property is also just a couple of minutes drive to the beaches and port of Cabopino. We strongly recommend a viewing.
