This is city living at its best because while you are in the heart of Marbella with all the facilities one requires on the doorstep, the apartment is located in a very tucked away quiet location. The gardens and pool area in this development are outstanding and it is a very well run community with security at the entrance. The apartment has a lift up to the second floor from the underground parking. You enter into a nice hallway with storage and the living room is open plan with an art deco feature fireplace in the center of the room and doors opening out onto a West facing covered terrace which is quiet and private and you can see the pool area below. The kitchen has a unique bay window with a seat below. Although dated, the kitchen is fully equipped and fully functional with a serving hatch into the living area giving the impression that the kitchen is separate yet integrated. On this level there is a guest cloakroom. Upstairs you will find the master bedroom with built in wardrobes and a juliette balcony along with an en suite walk in shower room. There is a gues bedroom which has a curved East facing terrace and an en suite bathroom.
