Costa del Sol, San Pedro de Alcántara

This sophisticated three-bedroom, two-bathroom duplex penthouse is located in the exclusive Castiglione urbanization in San Pedro de Alcántara, just 25 meters from the beach promenade. Combining modern aesthetics with timeless quality, this exceptional residence was originally built in 1985 and fully renovated in 2019, reflecting a sleek, Scandinavian-inspired design with a focus on light, comfort, and functionality. Spanning 163 m² of interior living space and complemented by two expansive terraces, the property offers panoramic views of the Mediterranean Sea, the surrounding mountains, and the community pool. The thoughtful layout balances openness with privacy, while the Poggenpohl open-plan kitchen equipped with NEFF appliances anchors the home with modern elegance. The kitchen seamlessly connects to a bright living and dining area that opens onto the south-facing terrace, ideal for outdoor dining and entertaining, complete with a built-in BBQ. The west-facing terrace, accessible from both the master suite and living room, provides a tranquil lounge setting with spectacular sunset views. Every detail of the home reflects quality and refined craftsmanship. Features include underfloor heating throughout, electric blinds, and a Bang & Olufsen integrated sound system for superior comfort and convenience. Residents enjoy access to two communal swimming pools, lush gardens, and ample communal parking within a secure gated community. Situated along Avenida de las Petunias, one of San Pedro's most coveted locations, the property offers effortless access to the beach, top dining spots like Macao Beach Club, Nuevo Reino, and El Ancla Restaurant, as well as shopping, fitness, and leisure amenities. Reputable schools including Laude International College and Calpe School are nearby, making it ideal for both families and professionals seeking an elevated coastal lifestyle. This remarkable home represents the essence of contemporary Mediterranean living, where design, comfort, and location converge in perfect harmony.
