The kitchen is in an old, rustic style and has plenty of storage and work surfaces. From the kitchen we come out to another room with space for a long table for gatherings with larger groups. From here we come directly out to the pool area and the fantastic, lush garden. At the back of the house there is a patio with morning sun. Above the garage we find a patio with open views down to the sea and all of Fuengirola. Around the pool there are several places where you can place a dining table, sun loungers and seating areas. The garden is magnificent and offers beautiful flowers all year round. This is a house to fall in love with! It offers so much charm and is very beautiful with all the vegetation. In addition, it is located right between Fuengirola and Mijas Pueblo and it is very quiet and peaceful here. Within walking distance we find the restaurant El Muro and by car it only takes a few minutes to large shopping centers, Fuengirola, the sea and the train station.
