Magnificent property with sea views and 3,600 m² plot in Estepona. This exceptional property in Estepona boasts a spacious 3,600 m² plot and a privileged location with beautiful sea views stretching as far as Africa and Gibraltar. The main house, with its 3-metre-high ceilings, impresses with a spacious living room whose 180-degree window front opens up views of nature and the sea. An imposing 2-metre granite fireplace with glass doors forms the heart of the room and can heat the entire house. In addition, underfloor heating in the three bedrooms ensures pleasant warmth. The light-flooded conservatory offers a fantastic view of the well-tended garden and the large pool. The spacious kitchen is equipped with high-quality electrical appliances and is complemented by an adjoining utility room. The property also offers two separate granny flats, each with a private entrance, its own kitchen and two bathrooms – perfect for guests, staff or as independent units. A completely separate, cosy pool house with a kitchen, utility room, fireplace and bathroom creates additional living or relaxation options right by the pool. The large swimming pool is heated by solar panels and heat exchangers. Hot water is produced by the solar panel system. Outdoor area & amenities. Spacious tiled terraces • Garage for two vehicles • Several basement rooms • Extensive garden with large pool • Absolute tranquillity yet close to restaurants, hospital and the sea. *** Only a 5-minute walk to the beach. The property was extensively modernised in 2014 with a Swiss architect and has an energy certificate category A/B, a rather rare energy efficiency rating on the Costa del Sol. An ideal home for large families who value peace and privacy while being conveniently close to all restaurants, bars and shops. This property combines spaciousness, warmth and Mediterranean charm in a unique way.
