Costa del Sol, Reserva de Marbella

A very rare opportunity to acquire a true corner penthouse, with a very large roof solarium and permanent gazebo, set in a secluded and tranquil area of La Reserva de Marbella Fase II. Extraordinarily well-presented and in what can only be described as an 'almost as-new' condition, this property has been meticulously maintained to a very high standard and is offered by the original owner since new in 2006. East-facing with an abundance of natural light throughout, this immaculate 2-bedroom, 2-bathroom apartment includes a fully-fitted kitchen with high-end appliances, integrated heating and cooling air-conditioning system with Airzone zonal controls, and polished marble flooring. Located in a very generously-landscaped community and surrounded by nature, the views are across the undulating countryside and the hills that frame it, as well as the well-maintained gardens, and one of the two communal swimming pools. The ambience is one of complete tranquility, surrounded by nature: the sound of birdsong interspersed with the breeze rustling through the trees is ever-present throughout the year. Yet, all this is just 8-minutes' drive to some of the best beaches and protected sand dunes that Marbella has to offer at Cabopino; with its picturesque marina, lined with a wealth of renowned restaurants and bars. Equi-distance from the apartment is the more commercialised district of Elviria, with a choice of shops, supermarkets, banks, and some of the widest stretches of golden sands. With a dedicated underground parking space and a private storeroom, this is an excellent opportunity to purchase what is surely one of the best and most private apartments for sale in this area today. Viewing is highly recommended.
