Exclusive Top-Floor Corner Apartment with Panoramic Sea Views – Las Mesas, Estepona

Now Reduced from €1,250,000 to €1,090,000 for a Fast Sale

4 Bedrooms | 3 Bathrooms | 136 m² Built | 120 m² Terrace | Spectacular Views to Gibraltar & Africa

This is a rare opportunity to acquire one of the best positioned apartments in the prestigious Las Mesas area of Estepona, now offered at a significant price reduction for a quick sale.

Occupying a prime top-floor corner position, the apartment enjoys maximum privacy, exceptional natural light, and breathtaking panoramic views over the Mediterranean Sea towards Gibraltar and the African coastline. Properties offering this combination of views, privacy, and large terrace space are extremely rare in this location.

Completed in 2021, the property has had only one owner since new and is presented in immaculate, move-in ready condition.

The apartment offers 136 m² built interior space, designed with a modern open-plan layout that maximizes natural light and the spectacular views.

It is sold fully furnished with high-quality furniture purchased in Norway, including an elegant Italian designer outdoor sofa group, transforming the expansive terrace into a luxurious outdoor living and entertaining area.

Whether you are looking for a luxury permanent residence, an exclusive holiday home, or a high-yield investment, the property offers excellent flexibility, including the possibility to obtain a tourist rental licence.

Architect-Approved Plunge Pool – A Rare Added Value

A unique advantage of this property is that an independent architect has already reviewed and confirmed the feasibility of installing a plunge pool on the terrace.

This allows a future owner to proceed with confidence, knowing that the structural possibilities have already been professionally assessed. A properly engineered lightweight plunge pool solution can be integrated, subject to final project specifications.

Having this groundwork completed represents significant time saved and reduced uncertainty, making it far easier for a new owner to enhance the outdoor space.

The option of adding a private plunge pool further increases the luxury lifestyle, exclusivity, and long-term value of this exceptional property.
