Apartment in the first line of the sea in Hacienda Playa, just a few steps away from the magnificent beach with popular chiringuitos in a quiet and green area in Elviria. The apartment is located in a building on the first floor and has an elevator. The large terrace, with glass panels, equipped with comfortable furniture will make your holiday special. The property has two independent bedrooms, two separate large bathrooms and a common living room with access to the terrace, which overlooks the garden and the pool. Thanks to the open spaces, the apartment gets plenty of natural light, making it bright. A fully equipped kitchen and all the necessary things to spend a vacation with family or friends are also at your full disposal. From the apartment you can take a two-minute walk to arrive at one of the many beaches in the area, one of which is "Playa Marbella Gema". Alongside the beach there are many "chiringuitos" (typical Spanish beach bars), often with live music, such as "Merendero Cristina" or "Le Papillon". There you can enjoy the Spanish sun and great local food, such as fresh seafood. The Elviria district is very popular among tourists, as it is within walking distance to bars, restaurants, stores, pharmacies and many other amenities. It will take you 40 minutes to get to the apartment from the airport in Málaga and there you will find one parking space in the underground garage, as well as on the street next to the apartment. Book this apartment for your next vacation to enjoy the proximity to the sea and everything you need whilst being on vacation. VFT/MA/64882
