A wonderful and unique villa with a traditional feel but modern conveniences, Villa Elena has been reformed in early 2023 with a new light and modern kitchen, an additional ground floor bedroom, new bathrooms throughout and other upgrades that add touches of luxury to this wonderful family -friendly home.

Here, the outdoor spaces are what makes this property shine. Guests will enjoy a large private swimming pool, outdoor seating and dining areas, and a lovingly-kept garden full of lush greenery and colorful flowers - and perfect for sunbathing. Villa Elena sleeps up to ten guests with a twin bedroom with en-suite bathroom on the ground floor, and four bedrooms on the first floor – one twin, three double bedrooms sharing two newly renovated bathrooms. Two of these first floor bedrooms have access to a large open terrace.

On entering the property on the ground floor guests are greeted with a spacious entrance hallway leading to a recently refurbished living/dining room with large double doors leading to the patio, gardens and swimming pool.
