Costa del Sol, Estepona

A lovely and air conditioned one bedroom apartment, only a short walk from Estepona port on the sixth floor of the Bellavista del Puerto urbanisation with communal swimming pool. It offers the most amazing views over the Mediterranean sea towards Gibraltar, across the harbour of Estepona and an impressive mountain view. The holiday apartment has a comfortable king size bed with direct access to the cosy balcony with dining area and awning for your morning breakfast. Please keep in mind that children are not allowed in the property since the balustrades are not high enough. A good-size family bathroom, with bath and overhead shower, hand basin and lavatory. The lounge has a comfortable custom made sofa for two guests, a flat screen smart television with international TV channels in several languages including Sky and videos on demand for free. It also includes a high speed fibre optic connection with Wifi. A partial open kitchen with oven, fridge/freezer, four ring cooking hob, microwave and washing machine. The apartment also provides a private parking space in an underground secure garage. All in all, this is a very stylish holiday apartment that would suit a couple or small family, looking for quality accommodation with amazing sea views. This apartment is located within close to Estepona port in an ideal location with restaurants, supermarkets, bars, cafes and shops. Estepona is a medium sized town located on the Mediterranean coast, just below the stunning Sierra Nevada mountain range. Originally, Estepona's income was from fishing, however, it has now branched out into tourism and provides a multitude of sandy beaches, bars, restaurants, shops and yet still maintains it's original Spanish feel. The sea front provides miles of glorious beaches whilst the town is beautifully maintained with tree lined streets, spectacular plants, many parks and open spaces and water fountains on almost every corner! Just a few minutes drive from Estepona you will find yourself within the naturally beautiful countryside of Andalusia. Imagine olive groves, vineyards and you have captured some of the surrounding villages such as Manilva, with its grapevines as far as the eye can see; or Casares with its olive groves. Head up into the Sierra Bermeja Mountains and see cork-trees that actually line the roads. Altogether it is an ideal base for a memorable family holiday.
