Costa del Sol, Estepona

This compact two bedroom apartment is located in the heart of Estepona port and offers amazing views from the open balcony. Nearby you have all the facilities you could need for your holiday in Estepona. There are two supermarkets, shops, restaurants, bus stops, taxi ranks and of course, the two blue-flag beaches. The apartment has two bedrooms: a small double room, which offers a king size bed and hanging space (do note that this room has very little space around the bed itself) and a second bedroom offering two bunk beds with wardrobes. This combination makes it ideal for a family. In the bathroom you have a walk-in shower, a hand basin and WC. The air-conditioned open plan living area, with kitchen lounge and dining has access out on to the balcony with its wonderful views over the harbour of Estepona to the Mediterranean Sea. The apartment offers international television channels and high-speed internet access. Two swimming pools are available in the community only available during peak season (please enquire). Parking is possible in the communal parking area and operates on a first come, first served basis however finding a space isn't normally a problem. You can also park nearby for free. This apartment is located within port of Estepona in an ideal location for visiting supermarkets and bars. Estepona is a medium sized town located on the Mediterranean coast, just below the stunning Sierra Nevada mountain range. Originally, Estepona's income was from fishing, however, it has now branched out into tourism and provides a multitude of sandy beaches, bars, restaurants, shops and yet still maintains it's original Spanish feel. The sea front provides miles of glorious beaches whilst the town is beautifully maintained with tree lined streets, spectacular plants, many parks and open spaces and water fountains on almost every corner! Just a few minutes drive from Estepona you will find yourself within the naturally beautiful countryside of Andalusia. Imagine olive groves, vineyards and you have captured some of the surrounding villages such as Manilva, with its grapevines as far as the eye can see; or Casares with its olive groves. Head up into the Sierra Bermeja Mountains and see cork-trees that actually line the roads. Altogether it is an ideal base for a memorable family holiday.
