## Costa del Sol, Estepona

A luxurious holiday apartment perfect for families wanting to stay next to the beach and close to Estepona marina and the old town. This spacious air-conditioned and renovated apartment with three bedrooms and two bathrooms offers comfortable accommodation for six guests in total. It is located in the port area of Estepona, with its restaurants, bars, cafes and supermarkets. Two beaches are within a walking distance from this lovely property. A spacious en-suite super king size bedroom, a second king size bedroom and the third bedroom with two single beds plus a family bathroom. The property has a bright open kitchen which is fully equipped with all the appliances and has a little laundry room to the rear. The apartment is equipped with a fiber optic high speed internet connection and the lounge offers comfortable seating for five guests along with international TV with Sky and a dining area for six guests in the lounge. The lovely balcony is facing south west and has amazing views to the sea, port and mountains. The property has a large private parking space in the underground garage and the urbanisation provides a communal swimming pool. There is also a second private parking space in the underground garage across the road. Altogether, a perfect holiday apartment in Estepona port. This fourth floor apartment is located close to Estepona port in an ideal location with restaurants, supermarkets, bars and cafes in a popular beachfront urbanisation called El Faro. Estepona town is a medium sized town located on the Mediterranean coast, just below the stunning Sierra Nevada mountain range. Originally, Estepona's income was from fishing, however, it has now branched out into tourism and provides a multitude of sandy beaches, bars, restaurants, shops and yet still maintains it's original Spanish feel. The sea front provides miles of glorious beaches whilst the town is beautifully maintained with tree lined streets, spectacular plants, many parks and open spaces and water fountains on almost every corner. Just a few minutes drive from Estepona you will find yourself within the naturally beautiful countryside of Andalusia. Imagine olive groves, vineyards and you have captured some of the surrounding villages such as Manilva, with its grapevines as far as the eye can see; or Casares with its olive groves. Head up into the Sierra Bermeja Mountains and see cork-trees that actually line the roads. Altogether an ideal base for a memorable family holiday.
