Costa del Sol, Marbella

An beautifully designed and fully reformed beachfront townhouse. Finished to perfection by a reknowned interior designer, Casa Bambu is a five-star luxury accommodation just steps away from sandy Casablanca Playa, one of the best beaches on Marbella's prestigious Golden Mile. The property is located on a quiet street leading straight to the beach, which is only about 40 meters from the front door. Parking is normally possible in the street but guests will also have access to a private, barrier protected parking spot in a street just behind the property. Casa Bambu has undergone a complete and total reform by it's owners and a team of professional architects and designers. The results are stunning; with décor that feels luxurious yet minimalist and traditional. The open lounge and dining area are elegant and light, with artistic touches such as floating candles, beautiful elaborate mirrors, coral light fittings, and floor to ceiling French doors that lead to a private east facing terrace. This lush, green outdoor oasis is perfect for enjoying the summer in comfort with a large seating area, complete shading and outdoor dining table and chairs. There is a superbly equipped minimalist kitchen with every conceivable facility even down to a Nespresso coffee machine! Also on the ground floor is a storage room, a guest bathroom and shower, and even an elevator which connects all three floors of the property. On the first floor is a double master bedroom suite with a clever dressing area that incorporates a walk in wardrobe, shower, and dedicated workspace. The design is impressive, with floor to ceiling wooden feature walls and beautiful marble sink and surrounds. The bedroom is light and sunny. On this floor there are also two further large and well decorated bedrooms (one with a queen sized double bed, and the other twin beds) and these share a large well-appointed family shower room. All the bathrooms have underfloor heating and Casa Bambu has a brand new, split air-conditioning and heating system. On the upper level is a further double guest bedroom with it's own terrace, an upper living/games room with a TV, and access to a peaceful roof terrace with a sofa and chairs. It has amazing views of the beach and sea and as well as a comfortable seating area. To the east and within easy walking distance along the Paseo Maritimo (beach promenade) is the port and old town of Marbella with its' traditional bars and restaurants and to the west is the world famous Marbella Club. A little further on is the Puente Romano Hotel and Spa, undoubtedly the most fashionable area of Marbella and here you can chill out and relax or rub shoulders with the rich and famous depending on your mood. Puerto Banús with its' glamorous boutiques, superyachts and superb nightlife is a little further on. There is no need for a car if you come to Casa Bambu, there are dozens of excellent restaurants and bars within a five minute walk of the front door and Casa Bambu is within five hundred meters of three of the best restaurants on the coast. There are four supermarkets within seven minutes of the property and guests are quite simply spoilt for choice when it comes to local amenities.
