Costa del Sol, The Golden Mile

Meisho Hills is located in the residential area of Sierra Blanca, it offers stunning views of Marbella and Puerto Banús, towards Gibraltar and Africa. Built on a 33,500m² plot, it is an exclusive residential complex with 58 luxury houses with an area of 350m² to 940m² in total. There are six different types of houses to choose from, all with an innovative and modern design, with two, three or four bedrooms, each with a full bathroom and whirlpool tubs. Some houses have a fireplace and a private pool. The best selection of materials has been used in all the constructions, combining wood, stone and marble with modern comforts such as home automation systems, underfloor heating and air conditioning. The complex has magnificent facilities: two large outdoor pools, three spa areas with gym, indoor pool, sauna, Turkish bath and rest area, surrounded by green gardens with landscaped design, lighting and abundant ZEN decoration that create an atmosphere quiet and lovely. The entire urbanization has a 24-hour security service, controlled by a closed video circuit.
